

2017

Thank you for your interest in the summer children's activity weeks here at Adventure International. This was NEW for 2012 as our activity weeks have proved so popular that we were inundated with requests from children wishing to return! Adventure International has provided multi activity holidays to over 100,000 school children and would now like to broaden our reach so that everyone has the opportunity to experience the time of their lives!

The week will begin with you dropping your child off at the centre at 4 p.m. on Saturday afternoon where you will be able to take them up to their room to help them settle in before leaving them with us until 10:00 a.m. on the following Saturday. During this time they will enjoy a fun action packed week of adventurous activities and evening entertainments bringing home with them memories that will last a lifetime.

The children's activity holiday is open to all children aged 8 years and over, unfortunately we are unable to take children younger than this. Whilst with us the children will be able to choose which activity they take part in each session meaning they can focus on improving in a specific area or get a taste of everything on offer! A sample of the activities available is enclosed.

The Centre has 74 bedrooms, all with en-suite shower facilities and central heating. The rooms are all multi bedded and your child will be expected to share a room. We feel this is an important part of the weeks experience for the children and will help them to make long lasting friendships. All bed linen is provided but children will need to bring their own towels and toiletries. Boys and girls will be accommodated in separate rooms with a staff member residing close by.

Children are provided with 3 hearty meals a day and there is a vegetarian option available at every mealtime. If your child has any specific dietary requirements i.e. vegan / wheat, nut free diet etc., please let us have this information on your booking form and we will have no problems catering for them.

It really is a unique opportunity for your child to experience a holiday like no other, The 4 available weeks for the summer of 2017 are as follows:

22nd July – 29th July

29th July – 5th Aug

5th Aug – 12th Aug

12th Aug – 19th Aug

The price per person is £435 and this includes all food, accommodation, activities, instruction and equipment

Please see a sample programme of the week below.

Please note this is a sample as there will be a range of activities available daily and the choice of what you do is yours you may wish to surf most days or have a taste of everything?

They will be given a tutor who will be with them throughout the duration of their stay, this helps to build an excellent friendship and trust between the two ensuring your child has the best possible holiday experience.
